I have been here several times and every time it was consistently good lots of choices, great entres and desserts.. always a fun place to visit

Lots of food [Celimar A / trip advisor](#)

There is lots of food at buffet and the price is great. You go from dessert, past, salad pizza and around 4 types of meat balls with different flavors.

A hit with our family. [Kelly and Charlene/ trip advisor](#)

Our family of 8 came from Penticton B.C. Always a focal point when we are in Toronto. Huge variety and flavours. Good prices, especially for me a senior.
