Great food., Great service! Had the: steak and king mushroom in hotpot -5 stars Meatballs in hotpot - 5 stars Pan fried dumplings-5 stars Baked tapioca - 5 stars

🗣️ **Finally** Nick N/ trip advisor

My mother in law is Chinese and a vegetarian and it's hard to find restaurants we both like since I love meat. The food here actually tasted good and my mother in law was also very happy. The imitation meat is actually tasty.

🗣️ **Great food and service** Sphinx130/ trip advisor

Delicious vegetarian (mock-meat) food. Service was excellent. If we lived closer this would definitely be a regular spot!
