About Inspire Restaurant:
More than simply putting flowers in a container, ikebana is a disciplined art form in which nature and humanity are brought together. Ikebana is an expression of creativity, intention behind each arrangement is shown through a piece's colour combinations, natural shapes, graceful lines, and implied meaning of the arrangement.

Very unique combinations but everything was delicious. I went with some friends and we all enjoyed our meal! I would definately recommend the pulled pork fried and Loco Moco.
